

Hello my name is Dale von Loh. I'm honored to be nominated for the MMCI Board of Directors. My wife, Pam and I live in Cosmos, Minnesota. We have a son, Cody, who is in the military at Ft. Benning, GA.

I work at 3M in Hutchinson, MN. as a mechanic. I've been there for 36 years; I also farm on the side. I grew up farming with Moline's, and I'm still using some of dad's tractors. I have dad's 1953 ZB which he bought new from the Arnold Implement Moline dealer in Cosmos, 4 miles away. As a kid growing up, my dad and uncle took me to the surrounding threshing shows. So to this day, I enjoy going to threshing shows and fairs showing off my Moline tractors.

I also belong to a local John Deere 2 cyl club. A lot of the members have different colors in their collections. If I was elected to the MMCI board I want to keep promoting the Moline name and history. And try to encourage more Moline enthusiasts to become members. Thanks, Dale von Loh.
