## Colors:

PG1 = First Gold Color, used in 1937-1947. Most collectors don't use this color

PG2 = Prairie Gold used on most Letter Series and 335/445/5 Star. Most common prairie Gold

PG3 = Last Prairie Gold used on GVI, M5, 4Star. Slightly Browner Prairie Gold

Yellow = Used on Latest MM's This is an Industrial Yellow.

Late Red = Same as Cockshutt Red, used on some tractors after 1968

Implement Red = Used on early implements

Cherry Red = Red used on Early tractor wheels and grills

Dyna Brown = Used from 1962-1967 Primarily on Powertrain components

Bronz Metallic = Used from 1959 - 1961 Primarily on Powertrain components

Gray Metallic = Used on the powertrains of some industrial tractors

Note: Due to special orders, regional exceptions, and day to day manufacturing variation, many tractors varied from the color configurations listed above
