

MMCI Auction Guidelines

1. Only MMCI members are eligible to consign items. It is acceptable to join MMCI and pay membership dues [currently \$20 per member per year] at time of consignment OR have membership dues auto-deducted from consignment checks.
2. MMCI does not warrant any sale item. All items are bought as is, where is, and condition is the sole responsibility of the buyer.
3. All parts will be free of grease and all oil will be drained.
4. The total number of lots available for the auction may be limited by MMCI.
5. Each consignor may be limited on number of lots at discretion of MMCI.
6. It would be helpful for potential consignors to notify MMCI's designated person to request number of lots they would like.
7. Requests for lots will begin up to 60 days prior to the winter convention auction date and may end prior to auction date IF a full limit of lots has been consigned prior to that date.
8. Reserve pricing is not allowed.
9. Tractors or implements are not allowed; only parts, toys, memorabilia, and literature.
10. The buyer numbers will be numeric, while consignors will be assigned alphabetic lots.
11. **All lots sold will incur a 10% commission, including buy-backs.**
12. No consignment checks will be issued day of auction. Nor will it be allowed for a buyer who is also a consignor to subtract his auction purchases from his consignment check. All auction purchases must be paid for on the day of auction.
